Petition to the House of Commons in Parliament Assembled

We, the undersigned, draw the attention of the House to the following:

That the new international crossing connecting Windsor-Detroit include pedestrian and cycling Infrastructure

Whereas, healthy communities invest in infrastructure that promote healthy lifestyles.
Whereas, Canada and United States are moving forward with a new publicly owned crossing connecting Windsor and Detroit.
Whereas, both Windsor and Detroit have robust and growing cycling communities.
Whereas, both Windsor and Detroit are investing in expanding their respective bike lane network.
Whereas, both Windsor and Detroit are investigating ways to improve border accessibility and the movement of people efficiently across the border.
Whereas, bike lanes can be found on other international bridges in Ontario.
Whereas, elected officials from Canada and the United States representing all levels of government support the inclusion of robust cycling and pedestrian infrastructure on the new crossing connecting Windsor-Detroit.
Whereas, creating an integrated continuous international bike circuit connecting Windsor and Detroit would yield long term economic, social and health benefits for the people of this region.

Therefore, be it resolved that we the undersigned want the new international crossing connecting Windsor and Detroit to include permanent, safe and dedicated infrastructure that will allow access to international pedestrian and bicycle traffic.
