

PETITION TO THE HOUSE OF COMMONS: Protect Consumers from Gas Gouging

WHEREAS the cost of gasoline continues to fluctuate erratically, with prices prone to wide variations between communities and sharp spikes in anticipation of higher demand; and

WHEREAS the federal government has taken no action to ensure that gas prices are fair and competitive, despite numerous complaints from citizens and watchdog groups;

THEREFORE WE THE UNDERSIGNED CITIZENS OF CANADA, call upon the Government of Canada to present legislation to protect consumers from price gouging by gasoline retailers.
